or judicial powers, exercisable by any person under any Act;

(e) generally for giving effect to the provisions of this Act.

The "Deshabandhu", 25-6-1941

The "Deshabandhu" refers to the Civic Guards Bill which came up for the consideration of the Legislative Council and says that there is an urgent necessity for organising a Civic Guard Corps on British Indian model in view of the national and international situation. A Congress member suggested that they are going to organise a volunteer corps in order to protect the life and property of citizens if the same Rs. 20,000 were given to them. But it is not proper to entrust the work to a political party. However, the Congressmen have admitted the necessity for an organisation of the Civic Guard type. In the circumstances, the paper urges that immediate steps should be taken to implement the legislation in the best interests of the State.

His Highness the Maharaja of Mysore.

To

The District Magistrates of Districts.

SIR,

Subject:- Enrolment of Civic Guards in the Mysore State.

In continuation of this office memo No.5682-90 dated 27th June 1940 on the above subject, I am directed to inform you that, after a careful consideration of the subject and the proposals sent by the Inspector General of Police in this connection, Government are of opinion that action may be taken to constitute Civic Guards in the several districts of the State on the following lines:-

1. The enrolment of Civic Guards may be taken up, in the first instance at all District Headquarters and Police Sub Divisional Headquarters, the number to be enrolled being limited to 50% of the regular police allocation of the centres referred to. For the present the enrolment may be made by the District Magistrate, in consultation with the District Superintendent of Police, the latter being appointed as District Commander of the Civic Guard organisation for the district.

2. Government servants as such need not be precluded from enlisting as Civic Guards although Government servants whose time will be fully occupied in times of emergency would find it difficult to enlist. The question of employing retired Government servants as Group Commanders may be favourably considered as they cannot obviously enlist as Guards in view of the age limits to be prescribed. The services of School Masters in charge of Scout organisations would be helpful in this connection.

3. In view of what is stated above, it is unnecessary to fixan upper age-limit for officers of the Civic Guard provided they

are sufficiently active. The lower age-limit for officers will be 25 years. Civic Guards on the other hand might be between the ages of 20 and 45.

4. As regards a distinctive badge for the Guard, brassards will be provided by the Government, but any other uniform should be provided by the Civic Guards themselves, as in the case of Boy Scouts, but such uniform will have to be the same throughout the State and approved by Government.

5. Training may be confined to marching and short lathi drill and the instruction in simple police procedure based on the constable's catechism.

6. It is not considered necessary to give any allowance for the period of training which may be limited to two hours a day on two or three days a week for the first month and thereafter to one hour a week. When Civic Guards are called out for duty, a duty allowance not exceeding annas eight per day might be granted at the discretion of the Deputy Commissioners. If the duty is at a distance from Headquarters, the police should make arrangements for conveyance and accommodation.

The question whether enrolment should be under the Police Regulation or under an Enactment specially introduced for the purpose, is being separately considered by Government and as soon as a decision is reached the same will be intimated to you.

I am to request that preliminary action on the above lines may kindly be taken and if any doubt or difficulty is experienced in the actual working of the scheme, a reference may be made to Government.

I have the honour to be,
Sir,
Your most obedient servant,

They may be printed either in English or in the chief language of the place of election or in both and the names of the candidates shall be entered on them in the order of the alphabet of the language in which the names are first printed. If there are two candidates of the same name, they shall be distinguished by the addition of their occupation or in some other suitable way.

22. Immediately before a ballot paper—that is, the outerfoil of Form IV—is handed over to the elector, the polling officer shall—

(i) initial it on the back;

(ii) enter the elector's name and number in the electoral roll on the corresponding counterfoil of Form IV; and

(iii) affix his initials against the elector's name in the electoral roll.

The polling officer shall then tell the elector how many votes may be given and shall give him the ballot paper.

23. The elector on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there make a mark against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the ballot paper so as to conceal his vote and after showing to the polling officer his (polling officer's) initials thereon put it into the ballot box.

24. (1) If any elector is unable to read the ballot paper or make a mark thereon and applies for assistance, the polling officer shall read the ballot paper to the elector and, if so required by him, mark the ballot paper at the polling officer's table and in the presence of the candidates or their polling agents, if any, according to the directions of the elector and give it to him to be put in the ballot box. The candidates and polling agents present shall have a right to hear the elector's request and to watch the polling officer when he marks the ballot paper.

(2) In the case of every elector whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding counterfoil in Form IV by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under sub-rule (1) shall not be questioned subsequently on the ground that it was not in accordance with the elector's directions.

25. Special facilities in accordance with the instructions, if any, issued by the Election Authority in that behalf may be accorded to women electors.

26. (1) Any ballot paper which is not duly marked or on which votes are given to more candidates than there are members to be elected or on which any mark is made by which the electors may afterwards be identified shall be invalid.

(2) If more than one mark is placed against any candidate's name, they shall count only as one vote in his favour, provided that the elector has not placed marks against more candidates than there are members to be elected.

(3) If any one of the marks is so placed as to render it doubtful for which candidate such mark is intended to apply, the vote concerned, but not the whole ballot paper in case where more than one vote can be given on the same ballot paper, shall be invalid, provided that the elector has not placed marks against more candidates than there are members to be elected.

27. When a person presents himself to vote, and at any time before a ballot paper is supplied to him, the polling officer may, of his own accord, and shall, if so required by a candidate or polling agent, put to such person any or all of the following questions:—

(i) Are you the person enrolled as follows (reading the whole entry from the roll)?

(ii) Have you already voted at the present election in this polling station or in any other polling station?

(iii) (At the election held for the constituency of persons licensed under section 4 of the Act and of registered buyers, sellers, and buyers and sellers) —Is your $\frac{\text{licence}}{\text{registration}}$ in force to-day? and

(iv) (At the election held for the constituency of local body or local bodies)—Are you to-day a member of the local body (reading the name of the local body)?

and the person shall not be supplied with a ballot paper unless he gives an unqualified answer to the question or questions put to him and unless he answers the first question in the affirmative, the second question in the negative, and at an election mentioned in clause (iii) or (iv) the third or, as the case may be, the fourth question, in the affirmative. Except as mentioned herein every person whose name is found on the electoral roll shall be entitled to be supplied with a ballot paper.

28. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall after duly answering such questions as the polling officer may ask, be entitled to mark the ballot paper in the same manner as any other elector. The ballot paper (hereinafter referred to as a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, and endorsed by him with the name of the elector and his number on the electoral roll and set aside in a separate packet and is not to be counted by the Returning Officer. The name of the elector and his number on the electoral roll and the name or distinctive number of the polling station shall be entered in a list in Form V which shall bear the heading "Tendered Votes List." The person tendering such ballot paper shall sign his name and address on the list or affix his thumb impression thereto.

Explanation.—In cases falling under this rule to which rule 29 is also applicable, the provisions of this rule as well as of rule 29 shall be followed.

29. If any candidate or polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the polling officer may require such person to enter in the list of challenged votes, which shall be in Form VI, his name and address and, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner prescribed in rule 27 gives unqualified answers to the first question in the affirmative and to the second in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The polling officer shall make a note of the circumstances and of his decision in the list of challenged votes.

30. An elector who has inadvertantly dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt one, which together with its counterfoil shall be marked as cancelled by the polling officer.

31. (1) Immediately after the close of the poll, the polling officer shall, in the presence of such of the candidates and their polling agents as may be in attendance, make up into separate packets and seal with his own seal and the seals of such candidates or polling agents as may desire to affix their seals—

(*a*) each ballot box in use at his station unopened;

(*b*) the keys of such boxes;

(*c*) the unused and spoilt ballot papers, both ordinary and tendered, with their counterfoils;

(*d*) the tendered ballot papers;

(*e*) the marked copies of the electoral roll and the counterfoils of ballot papers;

(*f*) tendered votes list; and

(*g*) the list of challenged votes.

(2) The packets shall be forwarded at once by the polling officer to the Returning Officer accompanied by a statement in Form VII. Each packet shall be numbered and shall bear a note as to its contents.

32. On the day and at the place and hour appointed for the counting of votes, and in the presence of such candidates and their agents as may be in attendance the Returning Officer shall proceed as follows:—

(*a*) The ballot box or boxes relating to each polling station shall be opened one after another; and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted and record the number thereof in a statement in Form VIII.

(*b*) The Returning Officer shall then mix together all the ballot papers of all the ballot boxes. The examination and counting of the votes shall then commence. The Returning Officer shall on every ballot paper which is wholly or partially rejected endorse the word 'Rejected.' If any candidate or agent present questions the correctness of the rejection, the Returning Officer shall also record on the ballot paper the grounds for the rejection briefly.

(*c*) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or their agents as may desire to affix them; and adequate precaution shall be taken for their custody.

33. (1) After the Returning Officer has completed the scrutiny and counting of votes he shall prepare a return of the results of the polling in Form IX, and after verifying the totals of the votes with the figures in Forms VII and VIII shall, subject to the provisions of rule 36, declare that the candidate or candidates to whom most valid votes have been given, has or have been duly elected.

(2) Any candidate or his agent shall, on application, be permitted to take a copy or an extract from the return in Form IX.

34. The Returning Officer shall not open the sealed packets containing the tendered ballot papers or the marked copies of the electoral roll or the counterfoils of the ballot papers.

35. Upon the completion of the counting and the declaration of the results, the Returning Officer shall seal up in separate packets—

(1) the ballot papers, all or some of the votes on which have been counted; and

(2) the ballot papers, all the votes on which have been rejected,

and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

Disposal of ballot papers.

36. (1) The Returning Officer shall, after declaring the results, forward a copy of the return to the Election Authority and shall retain in his custody the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof. These packets shall not be opened and their contents shall not be inspected or produced except under the orders of the Election Authority.

(2) The Returning Officer shall retain the packets and the marked copies of the electoral roll for a year and shall then unless otherwise directed by the Election Authority, cause them to be destroyed.

General.

37. If there is an equality of votes between any two or more candidates, the Returning Officer shall, after notice to the candidates concerned, decide by drawing lots which candidate or candidates he shall declare to have been elected.

38. The name or names of the candidate or candidates duly elected shall be published in the office of the Returning Officer and in the office of the Market Committee.

39. (1) If any question arises as to the interpretation of these rules, the question shall be referred to the Election Authority, whose decision shall be final.

(2) Pending the decision of the Election Authority on any such reference or the issue of final orders on any inquiry which the Election Authority may institute upon receipt of information that an election is being or about to be held in contravention of these rules, it shall be lawful for the Election Authority to direct the stay of the election proceeding at any stage thereof prior to the declaration of the results. Any election held or continued in contravention of the orders of the Election Authority under this rule shall be void and of no effect whatsoever.

(3) Unless it is otherwise ordered by the Election Authority, election proceedings stayed under this rule shall, on cancellation of the stay order, proceed from the stage at which they were stayed on fresh dates to be fixed.

Plague Regulations in force in Coorg.

Fort St. George, November 25, 1940.

No. 902.

The following notification of the Chief Commissioner of Coorg is republished:—

Mercara, the 29th October 1940.

Plague Regulations in Force in Coorg.

No. A-5-4947/40.—Whereas the Chief Commissioner is satisfied that certain parts of the Province of Coorg are visited by, and other parts are threatened with, an outbreak of the dangerous disease known as plague;

And whereas the ordinary provisions of the law for the time being in force in the said Province are insufficient to prevent the outbreak of such disease or the spread thereof;

Now, therefore, in exercise of the powers conferred by section 2 of the Epidemic Diseases Act, 1897 (III of 1897), and in supersession of the regulations issued with his Notification D. Dis. No. 190-341/39, dated the 28th November 1939, the Chief Commissioner is hereby pleased to prescribe the following temporary regulations to be observed throughout the said Province for a period of one year from the 1st December 1940:—

General Organization.

1. The general supervision of the arrangements for dealing with plague in Coorg is vested in the Chief Commissioner. He may delegate his powers to the Assistant Commissioner or any other person.

2. The Chief Commissioner may issue such orders relating to matters not specifically dealt with herein as may appear necessary.

3. Subject to the general control of the Chief Commissioner, the Civil Surgeon, as Chief Health Officer of the Province is directly responsible for the conduct of purely medical arrangements in connexion with plague.

4. The term "Medical Officer" in these rules means and includes—

(a) the Civil Surgeon,

(b) the Assistant Health Officer, the Resident Medical Officer, Virajpet, or Sub-Assistant Surgeon in charge of a Government or district board dispensary or hospital, or detailed for special plague duty by the Civil Surgeon,

(c) the Sanitary Inspectors of Coorg and their Sanitary Assistants,

(d) any other person appointed by the Chief Commissioner to be a Medical Officer for the purposes of these rules.

5. Any orders issued or action taken of special importance or general application by any person exercising authority under these rules shall be immediately reported to the Chief Commissioner.

6. A report of any outbreak of plague shall be sent without delay by the Civil Surgeon to the Chief Commissioner. Unless the Chief Commissioner by special order otherwise directs, weekly reports and monthly statements in the prescribed form shall be sent to him by the Civil Surgeon.

Precautions against the importation of plague.

7. The heads of villages are empowered to prevent the entrance of strangers (other than Government officers) from infected parts into their villages for a period of ten days, and any person attempting to enter any such village after being warned against such entry will render himself liable to be dealt with under rule 21 infra.

8. Patels and all Government officials not being local authorities shall report to the nearest local

authority the arrival of any person known to have come from an infected area as soon as possible. By local authority is meant—

(*a*) Medical Officer,

(*b*) if there be no Medical Officer, the Nad Parpattigar,

(*c*) if there be no Medical Officer or Nad Parpattigar, the Station-house Officer,

(*d*) in the case of coffee, rubber, pepper, or other estates of 50 acres or more, the estate owner, superintendent or agent,

(*e*) the village patel in default of (*a*), (*b*), (*c*) and (*d*).

9. If the report be made to a Medical Officer he shall arrange to observe such person in such manner as the Civil Surgeon may by rule prescribe. Provided that no gosha female shall be required to present herself for inspection but that she may be examined at her residence by a female deputed for the purpose by a local authority.

If the report be made to a Parpattigar, Station-house Officer, estate owner, superintendent or agent or village patel he shall keep such person under such observation as may be possible for ten days, and shall report to the nearest Medical Officer with the least possible delay any cases of high fever with glandular swellings or other suspicious symptoms which the person under observation may develop.

10. All persons entering Coorg from an area suspected to be infected with plague may be required to be inoculated against plague if they do not hold a certificate of inoculation and to expose all their belongings or merchandise to the sun for not less than three hours either at the boundary of Coorg or at any other place appointed by the Chief Commissioner and they may be required to obtain certificates showing that the same has been carried out before being allowed to proceed further into Coorg.

In the case of persons leaving an infected area in Coorg, such persons may, before leaving the infected area, be required (1) to obtain a certificate certifying that they themselves and all members of their household have been inoculated against plague, and (2) to expose their belongings or merchandise for not less than three hours at the place appointed by the Medical Officer.

11. (*a*) It shall be the duty of every person to report to the nearest village patel or one of the officers of the Health Department or dispensary or to the Civil Surgeon the occurrence of any mortality among rats or a case of plague or of high fever with glandular swellings or other suspicious symptoms in any household.

(*b*) Every estate owner, superintendent or agent shall report at once to the nearest Medical Officer, Parpattigar or Station-house Officer, the occurrence of any mortality among rats on the estate, as well as the occurrence of a case of plague or of high fever with glandular swellings or of unusual sickness among the coolies or others employed on the estate under his charge or in his possession.

12. When the local authority is not a Medical Officer, he shall at once communicate to the nearest Medical Officer and to such other officer as the Chief Commissioner may direct, any report made to him under rule 12 supra or any information otherwise received: and if he be a patel he shall also report to the Parpattigar.

Rules relating to municipalities and villages.

13. When any building or place within a municipality, notified area or village is in an infectious state by reason of dead rats being found therein or when in any building or place within such localities there is, or there is good reason to believe that there may be, a person suffering or suspected to be suffering from plague, or to have so lately suffered as to be in an infectious state or likely from recent contact with plague cases to be in an infectious state, the Chief Commissioner, or subject to his control, the Civil Surgeon, or any member of the Public Health Department, or any plague officer appointed generally or specially by the Chief Commissioner in this behalf, may inspect such person and building or place and take any such action as is hereinbelow described:—

(*a*) *Patients.*—(i) Remove whenever possible such person to one of the places of accommodation provided for person suffering from plague, and there detain and treat him until he shall have been certified by the Medical Officer in charge to be free from infection;

(ii) Take measures for segregating and detaining such person in his own house or in some other suitable place if, in the opinion of the Chief Commissioner, the place is such that he can be segregated therein without great risk of spreading the infection.

(*b*) *Contacts.*—If he considers it necessary, and when the infection is confined to so small an area that contacts can be accurately known, he may remove any person or persons living or found to be in the building or place either for detention and observation in a place appointed for this purpose, or to facilitate the disinfection of the premises.

MADRAS UNIVERSITY STUDENTS' INFORMATION BUREAU.

President: The Vice-Chancellor of the University of Madras (ex officio).

Vice-President: The Director of Public Instruction, Madras (ex officio).

Secretary: R. N. Selvam, Esq., M.A. (Cantab.), Professor, Pachaiyappa's College, Madras.

The main functions of the Bureau are—

(1) To furnish information and advice to Indian students going to England or other countries abroad for general and technological studies.

(2) To circulate to colleges and other educational institutions in India information of a helpful character collected by the Central Bureau in London concerning the educational, financial and social facilities obtaining in educational centres outside India.

(3) To communicate with the Central Bureau on behalf of students before they start or on behalf of their parents when they are abroad.

(4) To advise prospective candidates for the Indian Civil Service and other competitive examinations held in Delhi.

Students of the Madras Presidency—and of the Indian States whose colleges are affiliated to the Madras University—who contemplate going to England or other countries for further study, and relatives and friends of those who have already gone,—are invited to correspond with the Secretary, Room No. 6, New University Buildings, Chepauk, Madras, from whom all necessary information can be obtained.

As all private applications from students sent direct to the Educational Advisor in London or to Educational authorities in Great Britain are forwarded to the Secretary of the Madras University Students' Information Bureau for his enquiry and recommendation, much inconvenience and delay will be saved for students by their getting into touch with the Secretary at Madras.

The Bureau maintains a small library consisting of the prospectuses, syllabuses and calendars of educational institutions and Universities in Great Britain, America and other countries, and students and other enquirers will be allowed the use of the library on all week days—excepting holidays—between 11 a.m. and 4 p.m.

Candidates seeking advice from the Secretary of the University Students' Information Bureau, may interview him by previous appointment between 4 and 5 p.m. on working days in the New University Buildings, Chepauk, and at other times at the Pachaiyappa's College, Madras.

This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department officers.

5. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or Supplemental Specifications for which reference is given against each. The tenderer should carefully study the specifications and the draft form of agreement and all the documents relating to the work so that he may have an idea of the nature of the work he is undertaking to execute and the conditions of the contract to be entered into. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Kistna Central Division.

Corrections, where unavoidable, should be made by crossing out, initialing, dating and re-writing.

Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the agreement form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognized; and, if any such alterations are made, the tender will be void.

8. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates which are not open for inspection by tenderers.

9. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by the Government in connexion with this supply.

13. The contractor shall not be permitted to transfer materials from one work to another without obtaining the prior written approval of the Junior Superintendent. All transfers effected without his prior approval will be disallowed and centage charges recovered on the value of materials so transferred.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorizing others to receive payment on the contractor's behalf.

(*b*) after the words "shall be punished" the words "with imprisonment for a term which may extend to one year or" shall be inserted.

Amendment of section 113, Act IX of 1890.

4. In section 113 of the said Act,—

(*a*) for sub-section (*3*) the following sub-section shall be substituted, namely:—

"(*3*) The excess charge referred to in sub-section (*1*) and sub-section (*2*) shall be a sum equivalent to the amount otherwise payable under those sub-sections, or eight annas, whichever is greater:

Provided that where the passenger has immediately after incurring the charge and before being detected by a railway servant notified to the railway servant on duty with the train the fact of the charge having been incurred, the excess charge shall be one-sixth of the excess charge otherwise payable calculated to the nearest anna, or two annas, whichever is greater." ;

(*b*) in sub-section (*4*), for the words beginning with "the sum payable by him shall" and ending with "be paid to the railway administration" the following words shall be substituted, namely:—

"any railway servant appointed by the railway administration in this behalf may apply to any Magistrate for the recovery of the sum payable as if it were a fine, and the Magistrate shall order it to be so recovered, and may order that the person liable for the payment shall in default of payment suffer imprisonment of either description for a term which may extend to one month. Any sum recovered under this sub-section shall, as it is recovered, be paid to the railway administration" ;

(*c*) after sub-section (*4*) the following sub-section shall be added, namely:—

"(*5*) Any person who, without having obtained the permission of a railway servant, travels or attempts to travel in a carriage without having a proper pass or ticket with him, or in a carriage of a higher class than that for which he has obtained a pass or purchased a ticket, or in a carriage beyond the place authorised by his pass or tocket, or who being in a carriage fails or refuses to present for examination or to deliver up his pass or ticket immediately on requisition being made therefor under section 69, may be removed from the carriage by any railway servant authorized by the railway administration in this behalf or by any other person whom such railway servant may call to his aid, unless he then and there pays the fare and the excess charge which he is liable to pay under this section."

STATEMENT OF OBJECTS AND REASONS.

Experience has shown that the provisions in the Indian Railways Act, 1890, relating to ticketless travellers are insufficiently deterrent. The Legislative Assembly in 1936–37 considered and referred to a Select Committee a Bill, which has since lapsed, for the purpose of

remedying this defect. The present Bill has the same object and seeks to achieve it mainly by the provision of more appropriate penalties than are at present possible. The Bill also seeks to place remaining in a carriage without a ticket on the same footing as entry into a carriage without a ticket, and it reproduces a provision, contained in the previous Bill, for the ejectment of ticketless travellers.

(*c*) in rule 7,—

(i) for sub-rule (*1*) the following sub-rule shall be substituted, namely:—

"(*1*) In the case of a business carried on, in any accounting period which constitutes or includes a chargeable accounting period, by a company the directors whereof have throughout that accounting period a controlling interest therein—

(*a*) in computing the profits for that accounting period; and

(*b*) if the standard profits of the business are computed by reference to the profits of a standard period, also in computing, in relation to any such chargeable accounting period, the profits for the standard period,

no deduction shall be made in respect of directors' remuneration.";

(ii) in sub-rule (*2*), for the words "In this rule" the words, brackets and figure "In sub-rule (*1*) of this rule" shall be substituted;

(iii) after sub-rule (2) the following sub-rule shall be added, namely:—

"(3) If, in the case of a business carried on by a company in any accounting period which constitutes or includes a chargeable accounting period, the directors of the company—

(a) have during any part of that accounting period, or

(b) had during the whole or any part of any previous accounting period which includes the whole or any part of any chargeable accounting period or the whole or any part of the standard period (if any),

a controlling interest therein, and the case is not one to which sub-rule (1) of this rule applies, then, except in so far as the Central Board of Revenue otherwise directs, no deduction shall be made in respect of directors' remuneration either in computing the profits for the first-mentioned accounting period or in computing in relation to any chargeable accounting period wholly or partly included in that accounting period, the profits of the standard period (if any)." ;

(d) after rule 10, the following rule shall be added, namely:—

"11. Where in respect of any accounting period a deduction would, apart from the provisions of this rule, be allowable in computing profits, and, in the opinion of the Excess Profits Tax Officer, the deduction does not represent a sum reasonably and properly attributable to that accounting period, only such part of the deduction shall be allowable as a deduction for that period as appears to the Excess Profits Tax Officer to be reasonably and properly attributable to that period, and any balance of the deduction shall be treated as attributable to such other accounting period or periods (whether or not they include, or fall wholly or partly within, the standard period, if any, or any chargeable accounting period) as the Excess Profits Tax Officer thinks proper.

Any person who is dissatisfied with a determination of the Excess Profits Tax Officer under this rule may, at any time before the expiry of one month from the date on which such determination is communicated to him, appeal to the Board of Referees through the Excess Profits Tax Officer."

Amendment of Schedule II, Act XV of 1940.

"and to such other deductions in respect of reduced values of assets as are allowable in computing profits for the purposes of income-tax";

(b) at the end of sub-rule (1) of rule 2 the following shall be inserted, namely:—

"The debts to be deducted under this sub-rule shall include any such sums in respect of accruing liabilities as are allowable as a deduction in computing profits for the purposes of excess profits tax or would have been so allowable if the period for which the amount of capital is being computed had been a chargeable accounting period; and the said sums shall be deducted notwithstanding that they have not become payable.";

(c) after rule 6 the following rule shall be added, namely:—

"7. (1) If—

(a) the Central Board of Revenue is satisfied, as respects any assets of any business the standard profits of which are computed by reference to the profits of a standard period, that during that period or any part thereof those assets were inherently unproductive, and

(*b*) an application that this rule shall have effect is made through the Excess Profits Tax Officer to the Central Board of Revenue by the person carrying on the business,

then, in computing the average amount of the capital employed in the business in the standard period and in all chargeable accounting periods, those assets, and any other assets of the business, shall be treated as not having been assets thereof during any part of the period during which, in the opinion of the Central Board of Revenue, they were inherently unproductive:

Provided that in the case of a business the standard profits of which depend directly or indirectly upon a direction of the Board of Referees under sub-section (*3*) of section 6, or of the Central Board of Revenue under sub-section (*1*) of section 26 of this Act the provisions of this rule shall have effect to such extent only as the Central Board of Revenue thinks proper:

Provided further that an application to the Central Board of Revenue under this rule shall be presented to the Excess Profits Tax Officer before the expiry of the period specified in the notice issued under sub-section (*1*) of section 13 of this Act.

(*2*) Where sub-rule (*1*) of this rule has effect on the application of the person carrying on any business, any computation of capital of the business made before the making of the application, and any assessment affected by that computation shall be revised accordingly."

STATEMENT OF OBJECTS AND REASONS.

The United Kingdom Finance (No. 2) Act, 1939, which is closely followed by the (Indian) Excess Profits Tax Act, 1940, has been amended by later Acts with a view to remedying certain hardships and anomalies which experience has shown are likely to arise. The object of the present Bill is to amend the latter Act so as to remedy similar hardships and anomalies. The provisions of the Bill are explained in the notes on clauses which follow.

NEW DELHI, A. J. RAISMAN.
The 23rd October 1940.

NOTES ON CLAUSES.

Clause 2—amends clause (*21*) of section 2 of the Act so as to secure that, in the case of a partnership one of the partners in which is a company not director-controlled, only the appropriate statutory percentage is allowed in respect of the company's capital therein.

Clause 3 and clause 7 (*b*)—make directions given under section 6 (*3*) or section 26 (*1*) effective for subsequent chargeable accounting periods, and also give finality to such directions.

Clause 4 (*a*).—Sub-sections (3) and (4) of the Act provide that in the case of a change of ownership or of an amalgamation on or after 1st September 1939, the successor is to have the advantage of the predecessor's standard of profits on condition that the price paid for any assets is ignored in computing the successor's capital. The amendment makes the condition apply also to the value of acquired assets for the purpose of computing depreciation allowances.

Clauses 4 (*b*), (*c*) *and* (*d*).—The amendments, by recasting sub-sections (*5*) and (*6*) of section 8, make it possible, in the case of a change in the constitution of a partnership before the 1st September 1939, or the transfer of part of a business on or after 1st September 1939, or the transfer of a business or the main part of a business after 1st April 1936, and before 1st September 1939, for such adjustments of capital and profits to be made as will secure a fair comparison of like with like.

Clause 5 [Section 9 (1)]—provides for the case of a resident company which is the subsidiary of a non-resident company and is financed by the latter. The amendment secures that allowance is given for the whole of the capital of the group that actually earns the Indian profits.

Clause 6 (a) [Section 12 (2)]—corrects the hardship that exists where a United Kingdom company pays in the United Kingdom 100 per cent of its excess profits, the whole of its profits being earned in India, and receives no allowance for such excess profits tax in computing the profits for Indian Income-tax purposes because none of the profits actually arise in the United Kingdom.

Clause 6 (b)—is a machinery clause only, and ensures that excess profits tax paid in the United Kingdom in respect of a deficiency of profits in a chargeable accounting period is taken into account for Indian Income-tax purposes whether such period is a chargeable accounting period in India or not.

Clause 7 [Section 17 (1)]—makes amendments consequential on the insertion of new section 8 (*8*) and the changes made in the First Schedule to the Act.

Clause 8 [Section 26 (1) and (3)]—rectifies the omission to provide for the manner in which and within what time limits an application is to be made to the Central Board of Revenue.

Clause 9 (a)—provides that interest or salaries paid without British India, which are included in profits for income-tax purposes only in order to secure collection of the tax, are not to be included in profits for excess profits tax purposes.

Clause 9 (b)—secures that, in the case of banking, insurance or dealing in investments which forms part of a business not consisting wholly or mainly in such activities and not, therefore, within Rule 2 (2) of Schedule I, the investment income from such part of business is to be included in profits for excess profits tax purposes.

Clause 9 (c)—(Rule 7, Schedule I)—corrects the anomaly by which, in the case of a director-controlled company, while the excess of directors' remuneration in a chargeable accounting period over that in the standard period is disallowed, no allowance can be made in the converse position.

It provides also for proper adjustments being made in a case where a company was director-controlled in the standard period but not in a chargeable accounting period or where the converse position obtains.

Clause 9 (d)—gives power to make suitable adjustments in cases where, either in the standard period or in a chargeable accounting period, a deduction is allowable for income-tax purposes which does not represent a sum reasonably and properly attributable thereto. The amending clause allows a more equitable comparison of the profits of the two periods in question.

Clause 10 (a)—provides that in computing capital any other allowance (in addition to depreciation) in respect of reduced values of assets, which is made in computing profits is to be deducted from the cost of assets in computing capital.

Clause 10 (b)—provides similarly for the deduction, in computing capital, of any allowances made, in computing profits, in respect of accrued liabilities.

Clause 10 (c)—provides for allowance to be made in the case of assets which were inherently unproductive in the standard period but which become productive in a chargeable accounting period.

The following Bill was introduced in the Legislative Assembly on the 13th November 1940:—

L.A. BILL No. 52 OF 1940.

A Bill to amend the Indian Sale of Goods Act, 1930.

III of 1930. WHEREAS it is expedient to amend the Indian Sale of Goods Act, 1930, for the purposes hereinafter appearing; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Indian Sale of Goods (Amendment) Act, 1940.

III of 1930. Insertion of new section 64A in Act III of 1930. 2. After section 64 of the Indian Sale of Goods Act, 1930, the following section shall be inserted, namely:—

In contracts of sale amount of increased or decreased duty to be added or deducted. "64A. In the event of any duty of customs or excise on any goods being imposed, increased, decreased or remitted after the making of any contract for the sale of such goods without stipulation as to the payment of duty where duty was not chargeable at the time of the making of the contract, or for the sale of such goods duty-paid where duty was chargeable at that time,—

(*a*) if such imposition or increase so takes effect that the duty or increased duty, as the case may be, or any part thereof, is paid, the seller may add so much to the contract price as will be equivalent to the amount paid in respect of such duty or increase of duty, and he shall be entitled to be paid and to sue for and recover such addition, and

(*b*) if such decrease or remission so takes effect that the decreased duty only or no duty, as the case may be, is paid, the buyer may deduct so much from the contract price as will be equivalent to the decrease of duty or remitted duty, and he shall not be liable to pay, or be sued for or in respect of, such deduction."

XXXII of 1934. Repeal of section 10 of Act XXXII of 1934. 3. (*1*) Section 10 of the Indian Tariff Act, 1934, is hereby repealed.

(*2*) Nothing in the repeal effected by sub-section (*1*) shall affect or be deemed to affect—

(*a*) any right, title, interest, obligation or liability already acquired, accrued or incurred before the commencement of this Act, or

(*b*) any legal proceedings or remedy in respect of any such right, title, interest, obligation or liability, or

(*c*) anything done or suffered before the commencement of this Act.

STATEMENT OF OBJECTS AND REASONS.

The attention of the Government of India has been drawn to a recent judgment of the Lahore High Court in a civil revision case in which it was held that since the wording of the Preamble of the Indian Tariff Act, 1934 (XXXII of 1934), refers only to customs duties on goods imported into or exported from British India, section 10 of that Act, which permits the addition to or deduction from a contract price of an increase or decrease in duty imposed after the making of the contract, does not apply to the excise duty on sugar produced in British India and intended to be sold within the country

for home consumption. In order to put the matter beyond doubt and since the subject is germane to the law relating to the sale of goods and contracts of sale, it is proposed to repeal this section of the Indian Tariff Act and re-enact it as a section of the Indian Sale of Goods Act, 1930.

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 4th January 1941 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Local Administration Department, will be considered.

A Bill further to amend the Madras City Municipal Act, 1919, the Madras District Municipalities Act, 1920, and the Madras Local Boards Act, 1920.

Madras Act IV of 1919. Madras Act V of 1920. Madras Act XIV of 1920.

WHEREAS it is expedient further to amend the Madras City Municipal Act, 1919, the Madras District Municipalities Act, 1920, and the Madras Local Boards Act, 1920, for the purposes hereinafter appearing ;

26 Geo. 5, Ch. 2.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature ;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Short title.

1. This Act may be called the Madras City Municipal, District Municipalities and Local Boards (Second Amendment) Act, 1940.

Amendment of section 413, Madras Act IV of 1919.

2. For sub-section (3) of section 413 of the Madras City Municipal Act, 1919, the following sub-section shall be substituted, namely :— Madras Act IV of 1919.

"(3) Any decision given, whether before or after this sub-section comes into force, under clause (*a*) of sub-section (1) or under sub-section (2) may be modified from time to time by the Provincial Government in such manner as they deem fit, and any such decision with the modifications, if any, made therein under this sub-section, may be cancelled at any time by the Provincial Government.

Any such decision or any modification therein or cancellation thereof shall be binding on each of the local authorities concerned and shall not be liable to be questioned in any Court of Law."

Amendme of section 369, Madras Act V of 1920.

3. For sub-section (3) of section 369 of the Madras District Municipalities Act, 1920, the following sub-section shall be substituted, namely :— Madras Act V of 1920.

"(3) Any decision given, whether before or after this sub-section comes into force, under clause (*a*) of sub-section (1) or under sub-section (2) may be modified from time to time by the Provincial Government in such manner as they deem fit, and any such decision with the modifications, if any, made therein under this sub-section, may be cancelled at any time by the Provincial Government.

Any such decision or any modification therein or cancellation thereof shall be binding on each of the local authorities concerned and shall not be liable to be questioned in any Court of Law."

Amendment of section 234, Madras Act XIV of 1920.

Madras Act XIV of 1920.

4. For sub-section (3) of section 234 of the Madras Local Boards Act, 1920, the following sub-section shall be substituted, namely :—

"(3) Any decision given, whether before or after this sub-section comes into force, under clause (*a*) of sub-section (1) or under sub-section (2) may be modified from time to time by the Provincial Government in such manner as they deem fit, and any such decision with the modifications, if any, made therein under this sub-section, may be cancelled at any time by the Provincial Government.

Any such decision or any modification therein or cancellation thereof shall be binding on each of the local authorities concerned and shall not be liable to be questioned in any Court of Law."

STATEMENT OF OBJECTS AND REASONS.

Sub-sections (1) and (2) of section 413 of the Madras City Municipal Act, 1919, provide that when a dispute exists between the Corporation and any other local authority or authorities in regard to any matter and the Provincial Government are of opinion that the local authorities concerned are unable to settle it amicably among themselves, the Government may take cognizance of the dispute and decide it. According to sub-section (3) of section 413, the decision of the Government is final. Consequently, when once a decision has been given, it becomes unalterable for all time to come, notwithstanding that the circumstances might have completely changed and the maintenance of the original decision be no longer equitable. It is therefore necessary to take power to modify from time to time or cancel any decision given under section 413. Section 369 of the District Municipalities Act, 1920, and section 234 of the Local Boards Act, 1920, are in the same terms as section 413 of the City Municipal Act, and require to be amended in the same manner as that section. Clauses 2, 3 and 4 of the Bill embody the necessary amendments to the three Acts.

(By order of His Excellency the Governor.)

P. APPU NAIR,
Secretary to Government, Legal Department.

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 18th December 1940 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Local Administration Department, will be considered.

A Bill further to amend the Madras City Municipal Act, 1919.

WHEREAS it is expedient further to amend the Madras City Municipal Act, 1919, for the purposes hereinafter appearing ;

Madras Act IV of 1919.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature ;

26, Geo. 5, Ch. 2.

Amendment of section 295, Madras Act IV of 1919.

5. In sub-section (1) of section 295 of the said Act, for the words " shall, not less than thirty days before the commencement of the year for which the licence is sought or in the case of a place to be newly opened, not less than one month before the opening of the same, apply to the commissioner for a licence ", the following words shall be substituted, namely :—

" shall apply to the commissioner for a licence not less than forty-five and not more than ninety days before the opening of such place as a slaughter-house or the commencement of the year for which the licence is sought to be renewed, as the case may be ".

Amendment of sections 303 and 304, Madras Act IV of 1919.

6. In clause (*b*) of sub-section (2) of section 303 and sub-section (1) of section 304 of the said Act, for the words " not less than thirty days ", the words " not less than forty-five and not more than ninety days " shall be substituted.

Amendment of section 365, Madras Act IV of 1919.

7. In section 365 of the said Act, after sub-section (9), the following sub-section shall be inserted, namely :—

" (9-A) Save as otherwise expressly provided in or may be prescribed under this Act, every application for a licence or permission or for registration or the renewal of a licence or permission or registration, shall be made not less than forty-five and not more than ninety days before the commencement of the year or of such less period as is mentioned in the application."

STATEMENT OF OBJECTS AND REASONS.

Under sub-section (10) of section 365 of the Madras City Municipal Act, 1919, if orders on an application for a licence or permission or for registration are not communicated to the applicant within forty-five days after the receipt of the application by the Commissioner, the application should be deemed to have been allowed for the year or for such less period as is mentioned in it. Where the application is made considerably in advance of the period for which the licence, permission or registration is required, orders have to be passed long before the licence, etc., will actually come into force. Licences are ordinarily renewable with effect from the 1st of April every year, but if an application for renewal is made, say on the 1st October preceding, orders have to be passed on it by the 15th November, that is to say, $4\frac{1}{2}$ months before the date on which the renewal will take effect. It is undesirable that orders should be passed so much in advance.

2. Various provisions of the City Municipal Act, for example, sections 282 (1), 285-C (2), 287 (3) and (7) and 295 (1), provide that applications for licences or the renewal thereof should be made at least 30 days or one month before the commencement of the period for which the licences, etc., or renewals thereof are sought. These provisions are not in accord with section 365 (10) which provides for a period of forty-five days.

3. It is therefore proposed to amend the City Municipal Act so as to provide for applications for a licence or permission or for registration or for a renewal thereof being made in all cases not less than forty-five and not more than ninety days before the commencement of the year or lesser period for which the licence, etc., is sought.

(By order of His Excellency the Governor)

Secretary to Government, Legal Department.
